AURA

■ Heat Speed: 25 seconds to any desired temperature setting Safety Power Duration: 5 minutes 9 Cleaning and Maintenance

The mouthpiece of the Aura may become clogged when used for an extended amount of time; resulting in difficult draw resistance or less vapor being released. Use the following guidelines to clean and maintain your device:

 Ceramic Filter: Use a fine paperclip or pin and gently insert between the holes. Push through thoroughy to clear the airway
then wipe clean with a lint free cloth. ■ Mouthpiece: Remove mouthpiece from device, wash gently with warm water, rinse and air dry. Forstubborn stains

For best results, do not over-pack the ceramic heating chamber with your product. Over-packing will cause constricted air

■ Ceramic Heating Chamber: Use the brush tool to gently clean the walls of the heating chamber.

After filling, use the packing tool to gently stir and aerate the product to ensure vapor is released

9 446 °F 🗐 Device is Fully charged. 11

Battery and Charging

Initially charge the Aura for 3 to 3.5 hours. The battery will stop charging when the icon is full. When the battery level is low, charge battery with included Micro USB cable to either your computer USB port or compatible wall charger. Low battery level will be indicated with incon. Do not use Aura while charging. This will cause damage to the device.

Do not leave charger plugged in or unattended without the device. Do not charge unit on bare carpet or rug.

The device contains a Lithium-Ion battery. Take caution and dispose in the correct receptacle. Do not discard in trash. Do not over charge. Do not short circuit the battery.

Notice: Lithium Ion Batteries are subject to degradation and reduced run time over the course of regular use at over 200°F; while Flowermate took great care in selecting premium quality long life Lithium Ion batteries due to their non-memory features and ability to cycle 300 times preceding degradation, battery life will gradually diminish with extended use. 12

To prevent the device from overheating, do not leave the charger plugged in overnight.

WARNING Failure to follow these safety instructions could result in personal injury or damage. Users of this device do so at their own risk. Neither Flowermate Technology, LLC nor its retailers assume any responsibility or liability associated with the use/misuse of the device. Flowermate Technology branded products are intended for adult use and consumption only. Keep this booklet in a safe place for future reference. DISCLAIMER
